## **907 REWARDS**

### **I. PURPOSE**

The purpose of this policy is to authorize the Board to offer rewards to persons who provide accurate and reliable information leading to the conviction of a person who has committed or conspired to commit a crime against EMID students or employees, volunteers, or Board members as a result of their affiliation with EMID, or against its property.

### **II. GENERAL STATEMENT OF POLICY**

The Board believes that, in certain circumstances, the offering of a reward may lead to the receipt of information that would solve or prevent a crime against EMID students, employees, volunteers, or Board members. The Board also believes that the fact that the Board may offer a reward may have a deterrent effect on the commission of such crimes.

### **III. APPROVAL OF OFFERING OF REWARDS**

The Board shall approve the offering of any rewards by EMID. The approval shall specify the amount of the reward and the crime to which it is applicable. The approval may relate to a specific incident or to a continuing category of crime, i.e., assault of a teacher, damage to school property, etc.

### **IV. ESTABLISHMENT OF PROCEDURES**

The Executive Director shall develop directives and procedures to address the timing and method of payment of any reward earned by an information provider. The information provided must have led to the conviction of the person who committed or conspired to commit the crime for which the reward was offered.
